

Fence Lifting Tool

Specifications

Article Nr.	E9921
Dimension	150 x 60 x 100 mm
Weight	0.5 Kg
Package quantity	1

**Ergonomic
Easy in use
Simplicity**

Lifting fences was never this easy

The Fence Lifting Tool gives the mechanic a better grip on the fence.

The Fence Lifting Tool gives the mechanic a better grip on the fence. Because of the smart design and the position where the fence is lifted, the weight of the fence is better distributed. The back and shoulders are relieved by the up-right position.

The best inventions often excel in simplicity. This invention was developed in-house in collaboration with students from the University.
